Please enter the ID and password provided by the organizer to log in.

Step 3

The screenshot shows a hotel booking interface. On the left, there is a search criteria section with a red circle around it. The search criteria section includes a search icon, a search bar, and fields for check-in date (2026/07/31 (Fri)), check-out date (2026/08/01 (Sat)), date undecided (checked), number of guests/number of rooms (1 guests/ 1rooms), and a search button. Below the search criteria section is a room calendar link. On the right, there is a hotel plan section for the ITF World Tennis Masters Tour World Championships Tokyo, Japan 2026. The hotel plan section includes a hotel plan card, a check-in/check-out section, a payment section, a breakfast section, and a benefits section. The hotel plan card shows the event name, dates, and a room type. The check-in/check-out section shows the check-in time (14:00~23:30) and check-out time (12:00). The payment section shows online card payment and on-site payment options. The breakfast section shows breakfast included. The benefits section shows that players will be accommodated in the official hotel and will have free transport to and from the hotel. A red arrow points from the text 'Please enter your check-in date, number of guests, and other details here, then click 'Search.' to the search criteria section.
